Profile

I am an ambitious and hardworking games development student with a vision for success in the industry. I take care over the quality of my work and am eager to learn new skills. I have achieved a black belt in taekwondo which has taught me self-discipline and a drive to fulfil my goals. My aim is to be a valuable employee to a well-reputed company, bringing a wide set of skills and an active imagination.

Skills

- Socially confident with an enjoyment of working in a team.
- Hard working mentality showing enthusiasm, commitment, and motivation towards the task at hand.
- Ability to deal with stress in a productive way and can adapt to work under pressure.
- Capable of prioritising and managing workload to achieve goals in the most efficient way.
- Elementary knowledge of C#, JavaScript, HTML(5), and ActionScript 3.0.
- Proficient with the Adobe Creative Suite; specifically Photoshop, InDesign, and Premiere.
- Basic knowledge of Autodesk 3DS Max, Mudbox and Unity Game Engine.

Education

University of Gloucestershire – Interactive Games Design (2012 to present)

During the first year I successfully completed modules in Graphic, Audio and Video Editing, Games Production, Web Development, and Digital Multimedia Design and Development.

Recently completed 3D modelling (3DS Max), Game Engine Programming (Unity), User Interaction Studies, and Mobile Application Development modules for my second year.

The Castle School 2005 – 2012

- A Level's include IT, Business, Biology, and General Studies
- 11 GCSE's grade A-C including Maths, English, Art & Design, and German
